Associate of Science, Surgical Technology — Aug 2017–May 2018
Eastern Florida State College · Melbourne, FL · GPA 3.77 · Magna Cum Laude

Associate of Arts — Jan 2015–May 2017
Eastern Florida State College · Cocoa, FL · GPA 3.53 · Cum Laude

Professional experience

Certified Surgical Technologist — Jun 2018–Jul 2024
Cape Canaveral Hospital · Health First · Cocoa Beach, FL

- Supported open, minimally invasive, and robotic procedures across 12 surgical specialties, including general surgery, orthopedics, spine, urology, gynecology, plastics, ENT, and vascular surgery.
- Prepared operating rooms and instrumentation, maintained sterile fields, and performed instrument, sharp, and soft counts in accordance with safety protocols.
- Provided intraoperative assistance with retraction, suction, electrocautery, camera operation, cutting sutures, skin glue and staples, and dressings.
- Helped onboard and precept surgical technologists and students; cross-trained in anesthesia machine turnover and leak testing.

Mental Health Technician — Oct 2016–May 2019
Circles of Care · Rockledge, FL

- Supported a caseload of up to 15 patients with schizophrenia, schizoaffective disorder, bipolar disorder, and major depression.
- Documented behavioral observations, completed patient rounds, and coordinated with nursing staff to support continuity of care and medication timing.
- Used verbal de-escalation and crisis intervention in the behavioral health setting.

Clinical training

University of Tampa Physician Assistant Program. All clinical experiences reflect PA student training under preceptor supervision.

Family Medicine
Mar–Apr & Oct 2026

MacDill Sabal Park Clinic

Acute and chronic care, annual physicals, preoperative evaluations, and follow-up visits. Exposure to diabetes, hypertension, lipid disorders, and GLP-1 therapy.

Preceptor: Stephanie Albright, PA-C · EHR: MHS GENESIS

General & Colorectal Surgery
May 2026

AdventHealth · Dade City, Zephyrhills & Connerton

Colorectal and anorectal evaluations, postoperative follow-up, wound care, and perioperative education, including recovery guidance and recognition of complications.

Preceptor: Sudhir Kalaskar, MD · EHR: Epic

Internal Medicine
Jul–Aug 2026

Elite Gastro · Tampa

Outpatient histories, examinations, diagnostic evaluation, and treatment planning, with exposure to colorectal cancer, cirrhosis, and pancreatic cysts.

Preceptor: Mina Elnemr, MD

Emergency Medicine
Jun–Jul 2026

AdventHealth Carrollwood

Assessment of acute illness and trauma; differential diagnoses and interpretation of laboratory studies, ECGs, and imaging. Participation in emergency stabilization.

EMR: Epic

Women’s Health
Feb–Mar 2026

Tampa Family Health Center

Prenatal and postpartum care, contraceptive counseling, and exposure to Pap testing, colposcopy, IUD care, and group B streptococcus screening.

Preceptor: Jordan Hinson, PA-C

Pediatrics
Sep 2026

Internal Medicine & Pediatrics of Tampa Bay

Well-child and acute visits, age-appropriate examinations, growth and developmental assessment, and family education on prevention and immunizations.

Preceptor: Frank Demery, MD

Behavioral Medicine
Jan–Feb 2026

AdventHealth · Dade City, Zephyrhills, Wesley Chapel & Tampa

Inpatient rounds and emergency department and floor consultations involving mood, anxiety, psychotic, cognitive, and alcohol-related disorders; clinical documentation and dictation.

Preceptor: Michael Trueba, PA-C · OnPoint Behavioral Health · EHR: Epic

Certifications & training

Certified Surgical Technologist (CST) · NBSTSA · Expires January 29, 2028

BLS · ACLS · PALS · American Heart Association · Expire August 2027

NIH Stroke Scale (NIHSS) · Training · NIHSS trained

Clinical & technical skills

PA-level assessment, procedures, and care planning are performed within supervised student training.

Assessment & care planning

History and physical examination, differential diagnosis, acute and chronic disease evaluation, medication reconciliation, preventive care, patient counseling, and discharge planning.

Diagnostics & procedures

Laboratory, imaging, and ECG interpretation; venipuncture, suturing, incision and drainage, wound care, and musculoskeletal examination.

Behavioral health

Psychiatric assessment, mental status examination, capacity assessment, verbal de-escalation, and crisis intervention.

Clinical documentation

Epic, MHS GENESIS, Dragon dictation, and Microsoft Office; clinical notes, case presentations, and communication across care teams.

Surgical & perioperative experience

Aseptic technique, sterile field management, instrumentation, surgical counts, positioning, draping, specimen handling, and intraoperative assistance. Systems experience includes da Vinci Xi, Stryker ENT Navigation, Lumenis Pulse MOSES, Alcon CONSTELLATION, and Leica OH6. Additional equipment experience is detailed in the online portfolio.

Leadership, mentorship & service

- Onboarding and precepting surgical technologists and students.
- Mentoring PA students in lower cohorts; participation in evidence-based medicine and case presentations.
- Professional development through CME and educational conferences.
- Volunteer Microbiology Lab Assistant, Eastern Florida State College, Palm Bay, FL · Jan–Dec 2022.

Academic honors

Eastern Florida State College; graduation honors are listed with each degree.

- President’s List · 7 semesters
- Dean’s List · 4 semesters
- Emeritus Governors Scholarship · 2022
- Patricia Kosinski Education Fund Scholarship · 2020
